Purpose of the Mission Trip: Respond to the ongoing needs of Puerto Rico

In the aftermath of hurricanes Irma and Maria, the people of Puerto Rico are still in need of partners to help their communities recover while sharing the hope of Christ.

In order to maximize our impact, we must come together and contribute to the response effort. Send Relief and pastors in Puerto Rico are collaborating with other valuable partners to serve people and equip the island churches.

Construction will be the main activity of the trip!

Other important information

As of now, MO Drivers Licenses are accepted at airports to fly. Unless something changes, after July 31, 2019, you cannot use a MO Drivers Licenses as an official ID at airports. You will need a passport. State of MO is working to solve this problem but not sure when that will go into effect.
