

Youth Slam

Youth Slam has been developed to offer the young men and women who are Freshman in High School up to college age 20 an opportunity to grow in their relationship with the Lord and in their relationship with others their age who worship Jesus Christ.

There will be two Youth Slam weekends each year, held on a Friday through Sunday; once in the Spring and once in the Fall. Along with other opportunities throughout the year.

Our desire is to see everyone come to know Jesus as their Lord and savior and to grow in their relationship with Him.

The weekends consist of praise and worship, live speakers, games, activities and lots of food.

The Spring Youth Slam will be on April 26-28, 2019 at Camp Niangua. Our theme for this event will be True Identity. We will dig into the following topics

- *Child of God*
- *Character*
- *Our Citizenship*
- *God Purpose for our lives*
- *Lies we believe about our self*
- *Freedom from the past*
- *and God's temple*

We encourage youth leaders to attend, but it is not required. Also encourage your youth to invite their friends.

Cost for the Youth Slam weekends are \$60 if you register by April 1st, after that the registration fee will be \$75. We will take registrations up to April 12th. The registration fee includes the cost to stay at the camp, food, materials and a t-shirt.
